PROFESSIONAL SUMMARY

Strategic Sourcing & Category Management Specialist with **12+ years of procurement leadership across LATAM**, delivering measurable savings, supplier performance improvements, and compliance through advanced use of **SAP Ariba, COUPA, and Power BI**. Proven ability to **negotiate global contracts, manage supply risk, and align sourcing strategies with business continuity goals**. Experienced in **cross-functional collaboration** with Sales, Finance, and Marketing to optimize cost, quality, and service levels.

CORE COMPETENCIES

- **Strategic Sourcing & Negotiation:** RFx management, supplier segmentation, SLA design, contract enforcement.
- **Supplier Relationship Management:** Performance monitoring, risk assessment, compliance.
- **Data & Analytics:** Power BI expert, KPI dashboards, shopper insights, advanced Excel.
- **Procurement Systems:** SAP Ariba, SAP MDG/B1, COUPA, SSP-SRM, Prism.
- **Stakeholder Engagement:** Cross-functional collaboration, public-private partnerships.
- **FMCG & Retail Dynamics:** TCO focus, logistics understanding, commercial execution.

SELECTED ACHIEVEMENTS

- **€6M regional spend** managed across five countries; delivered **€650K annual savings** via analytics-led sourcing and renegotiations.
- **SAP Ariba rollout leader**, increasing sourcing visibility and compliance regionally.
- Built **Power BI dashboards** to monitor KPIs, identify growth pockets, and support commercial decisions.
- Coordinated **Colombia's participation in international trade fairs** (U.S., China, Japan, Germany, Spain), strengthening global value chains.
- Designed and executed **capacity-building programs** impacting **1,500+ SMEs annually**.
